Heartbreaker
Andrea Kristanti

It isn't the first time in my life that Jeff has made me feel heartbroken
Sir...
I've had enough, Terry!
You're nothing but an orphan that Marge and I took in.
I don't want you.
You have to stop following me around, trying to make me notice you.

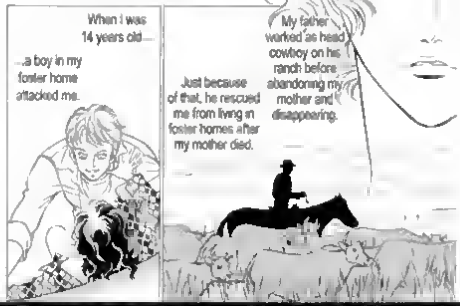
I want you out of my life!
Screech
Gasp
I said, get out!
I want you out of my life!

Dawn!
Brandi!
So J.B. didn't come, after all.
Thank you, Marge.
Pour
Marge is my legal guardian, and my best friend.
Her daughters treat me like I was really their older sister.
You had the second highest grades in your class! I'm so proud of you,
You really did great, Terry!
Happy graduation, Terry!

The night the boy was arrested
J.B.'s rough-handed nature must have been intimidating to everyone else
Come with me, Terry!

Slam
J.B.!
Crash
And not only because I'd seen his weak side.
I wasn't afraid of him, though.
Crash

He's Marge's brother
...and one of the few local wealthy cattle ranch owners
The man who made it all possible was J. B. Hammock.
They're like my family

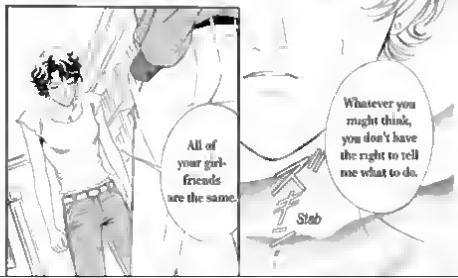


When I was 14 years old—
...a boy in my foster home attacked me.
Just because of that, he rescued me from living in foster homes after my mother died.
My father worked as head cowboy on his ranch before abandoning my mother and disappearing.

I'm the only one who knows how to handle JB
That's what I thought when I was young and naive
When I was 18
One of J.B.'s girlfriends said something that offended me.
If you talk to his family like that,
...it's only a matter of time before he dumps you!
I'm J.B.'s family!
That feeling eventually turned into the desire to have him to myself
...and I became jealous of the women who came and went in his life.
...but what good will breaking your computer do?
I know that it hurts you've lost your father!
It was the same when my mother died.
Look! Neil, the maid, is terrified!
Phew...
It's cinnamon coffee.
It will sober you up.
What is this?
Shhh. Please get ahold of yourself, J.B.

Slap
Exactly the opposite of you.
They're beautiful, but completely vapid.
They're long-legged, big-chested bimbos.
Yank
. J.B..

Terry.
I am not your property.
Jump
You're not even really family.
If you don't stop acting like I belong to you, I'll have to throw you out.
Stab



All of your girlfriends are the same.
Whatever you might think, you don't have the right to tell me what to do.
Stab

Fwoosh
...!!..?
Get out of my sight.
Don't ever get near me again!

What I really wanted to do was burst into tears
Maybe he is! That neckte is hideous.
It suits him!
I know he'll wear it someday.
Chuckle
NNNN
After that,
I left J B s home and moved to my school's dormitery
There must have been something urgent at the ranch.
Right. Otherwise, I'm sure J.B. would have come to my graduation
.. Terry.
Neckte? You mean,
..the one that you've sent him every Christmas and birthday, since you left for college?
That's not what I really think.
After all J B has been avoiding me since that day
Right! That really ugly one with the saint design each time!
Maybe he's just angry about the neckte.
My late husband loved it, too.
..I never met him, but he must have been wonderful.
Screech
The garden at your house is always so beautiful, Marge!

I was in the other side of the stadium.
You were there?
At Terry's graduation, of course! Although I'm sure you missed it on purpose.
Where have we been?
I've been looking for you for hours! I finally gave up.
There was a fire at the stable, so I got there late.
You thought that I wouldn't attend your ceremony?
Your own college graduation?
Slam
Uncle J.B.!

Go on, open it.
Here. A graduation present.
For me?

She always picks the ones with the worst taste to get back at J B for making her buy presents for his girlfriends.
J.B.'s secretary Ms. Janet, chose this.
She didn't know this one was for me
It's wonderful.
You don't like it?

I can't help but dream.

J B thinks of me like a little sister

JB would choose a present for Marge or his nieces himself. Not let his secretary do it.

It's because I'm not family.

Thank you for the watch.

Anyway congratulations.
Of course you didn't.

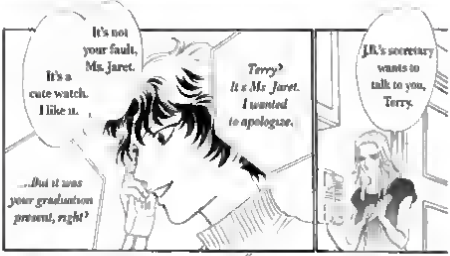
That's enough.
Fwoosh
Oh.

J.B.

I didn't say anything.
I'm never going to marry anyone. Understand?
I'll never love just one woman as long as I live.
Don't let the kiss fool you.

I'll be working as a secretary at the Ballenger farm
Until my graduate school begins in autumn

Gasp
Sure do appreciate the help.
The experience I have from helping J.B on the ranch comes in handy
No problem, Mr. Ballenger.



It's not your fault, Ms. Jaret.
It's a cute watch. I like it.
...But it was your graduation present, right?
Terry? It's Ms. Jaret. I wanted to apologize.
J.B.'s secretary wants to talk to you, Terry.

Shatter
He told me to tell everyone that he had to take care of a fire...
...but he was actually meeting another rancher and his daughter in the next town and forgot about the graduation completely.
Oh, then you know?
J.B. was very angry with me.
He said that I spoiled one of the most important days in your life
It was already spoiled after he didn't show up for the ceremony.

Grange.
Clump
There's a lot I want to ask you.
Want to join me for lunch, Terry?
Sure, but, what's your name?
I'm new here, too. Just like you.
I ain't never seen that boy smile before.
He must fancy you.
Ain't exactly sure.
All I know is he's an ex-special ops soldier from El Paso.
He works hard, and seems well-mannered enough.
Who is he?
Thwack
Th-Thank you.
I'm Terry Maddox. I jess started here today
I know.
I heard you live with J.B. Hammock's sister.
So?

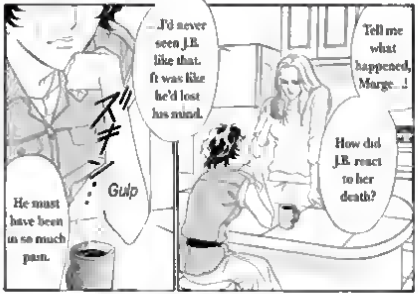
The Hammock family took me in when I didn't have anyone.
That's all there is to it.
Why is he so interested in J B ?
You're close to J.B.?
...No.
...do you know anything about the girl he was going to marry back when he was 21?
So...
...What?
Clatter
He doesn't care about me in the slightest.
He doesn't care about me...
Either way, I reckon you shouldn't go on a date with him till J.B. checks him out some.
The tiniest bit of hope that I still had was dashed to pieces last time.
J.B. has nothing to do with this.
It's just lunch.
So is this a date?
I'll ask you on a real date some other time.
This dream
...that J B will someday come to love me...
...is one I have to give up on, or it will kill me
CAFE BARRIOS
LUNCH

She killed herself
What happened to her?
I don't know. That's what I came here to find out.
Did J.B. know about this?
The only one she told was her own father.
...She didn't tell J.B. that his father threatened her?
Thanks to her, the brother stayed out of prison.
But she also loved J.B. with all her heart.
The girl loved her brother.
While J.B. was out getting the wedding papers, his father met the girl and threatened her.
His father tracked them down.
. They got married?
J.B.'s father didn't approve, so the two of them eloped.
Pound
Pound
Pound
What?
The brother wasn't involved, but J.B.'s father hired a detective to gather evidence to tie him to the murder.
Has partner killed someone during an exchange.
Her brother was mixed up in the drug trade.
He said he would turn her brother over to the police if she married his son.

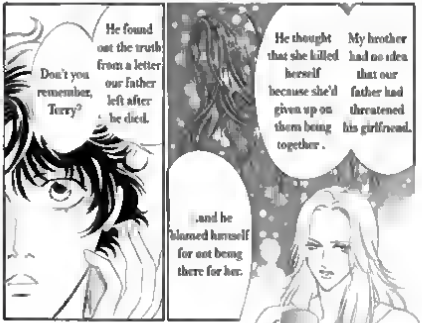
How do you know all this?
What are you doing back here, Grange?
—You didn't...
Yeah. All of it.
What?
Did you tell Terry what happened?

When their father finally told her brother what happened
...he quit the drug-running outfit and began looking into J.B.'s father, who caused his sister's death.
Grange's story is unbelievable...
...but it makes sense.
This is why J.B. feels around with so many women and refuses to marry...
"I'll never love just one woman as long as I live."
J.B. must have blamed himself
He must think that she wouldn't have died if it wasn't for him...

Sorry to get you involved, Terry.
Grange...
All right, J.B. That's all I wanted to be sure of.
J.B.... How do you know Grange?
He—
—was her brother.
Stab
Squeeze
J.B.!
Second thoughts about giving up his fortune, maybe?
Did you tell your father to do it?
Jab
J.B.
Answer me one thing.
I loved her.
I wanted to protect her—
Even if it meant my life.
Believe me when I say, I would never have done that!

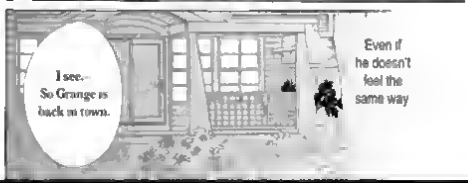


...I'd never seen J.B. like that. It was like he'd lost his mind.
Tell me what happened, Marge...!
How did J.B. react to her death?
Gulp
He must have been in so much pain.



He found out the truth from a letter our father left after he died.
Don't you remember, Terry?
He thought that she killed herself because she'd given up on them being together.
My brother had no idea that our father had threatened his girlfriend.
...and he blamed himself for not being there for her.

Why does my chest hurt so much...?
It's as if...
I love J.B with all my heart.
I can feel the pain running through his heart like it was my own.



I see... So Grange is back in town.
Even if he doesn't feel the same way

. but he got so short-tempered when you stopped.
He complained that you were always clinging to him...
Chuckle

I want you to be happy.
I don't want you to waste your life because of him.
You're right, Marge.

I know how you feel about J.R., Terry.
But he's chosen never to love anyone ever again.
You should forget that hopeless crush and find a new love.

I think

What?
You don't remember that he carried you to my place the next morning, do you?

J.R. was tearing himself apart after our father died, and you managed to calm him down.
You put him to bed and stayed with him all night.

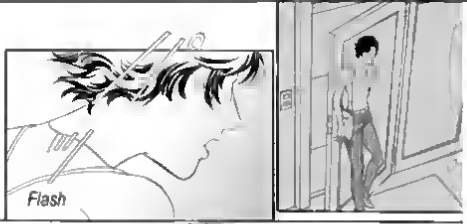
He said, "I've never had a woman take care of me in my life."
I asked him what was wrong.
He had you on the sofa and put a blanket over you.
... with the strangest look on his face.

I had a great time tonight.
Me, too, Grange.
Can I call you sometime?
I'll be looking forward to it.
Good night.
Vroom
If it's all right with you,
..would you like to go out on a date?
that I understand that better then anyone.
Want to go to a movie, Terry?
Are you asking me out on a date?
Yes. . But I also want to make up for the other day.
Forget it!
Try again.
This time, ask me properly.

He's involved in the darkness in my past.
What you're doing is betraying me!
Yes.
Stay away from him.
I'm almost 22! You can't tell me what to do.

Can you imagine how he must have felt, knowing his actions led to his sister's death?
But Grange was a victim, the same as you.
. What happened to you was a tragedy.

That's not true!
It was because of his crimes that she couldn't ignore my father's threats.



Flash

JBI
You went to the movies with Grange?
What are you doing here?

Do you understand how that must have felt?
She tried to leave me, but couldn't bear to go on living.
She had no other choice!
What makes you think that you understand real love
..when you can't even grow out of your little crush?
What I do with them is none of your business.
At the very least, I know that your relationships with your girlfriends isn't real love.
Scratch
..I understand it!

Do you even know what you're saying?
Jump
Stop it!
If it were me... I wouldn't have hesitated to tell you about his threats, and ..
She did it because she loved me!
But I wouldn't kill myself, either!
You're saying you would sacrifice someone's life or freedom just to save yourself?
.. No I wouldn't.

He started going out with even more women than before
Ever since then J.B. has ignored me completely

If you don't want to be a part of my future
—leave me alone, J.B.!

He's getting back at me for dating you.
What's gotten into him?
Hey, Terry..

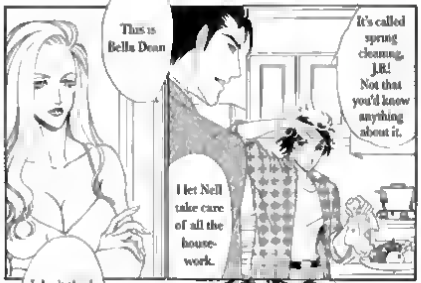
Yes. That's right.
Gulp
Is that right?
I can say the exact same to you.
...you won't stop seeing Grunge.
...In other words.

I mean, I can't keep doing whatever he tells me
I'm taking the first steps toward a new life
Fine.
Slam

Maybe he didn't realize how you felt?
I doubt it.
Then he started to glare at me about the time I graduated high school.
He would always say that I was a worthless good-for-nothing.
He told Mr. Ballenger that I was a bad influence on you, and that I should find work somewhere else.
He did what?
What did Mr. Ballenger say?
I'm surprised J.B. hasn't tried to run you out of town.
He told him that he wasn't going to fire anyone because of a personal grudge.
He used. He came to the ranch yesterday.
A-Ahahaha!
あ、あはは。
I'm not in love with him! I hate him!
How long have you been in love with him?
How long?
He used to be so patient, back then.
He used to be my hero.
I followed him everywhere and waited around for him.
Probably since I was 14.

Rustle
Terry.
I like spending time with you, Grange.
You don't have to hide how you feel in front of a real friend.
Only as a friend, right?
Grange sounds like a great guy
Why don't you forget about his past with J.B. and date him, Terry?

Phew
What a great boss.
J.B. won't give up.
He'll try to keep me away from you, no matter what it takes.
. .I'm not worried about him.
Hoping that he'll change would be a waste of my life.
J.B. can't forget his love so he'll never love anyone
I should never have told you about his secret.
It's because you remind him, that's all.
It's okay. Thanks to you, I've given up on him.
Of the love he lost



This is Bella Dean
It's called spring cleaning, J.R! Not that you'd know anything about it.
I let Nell take care of all the house-work.
I don't think I'll be shaking your hand.

Stomp

Aren't we here to ask your sister to dinner, J.D.?
There's no point in talking to the house-cleaner.

I'll go clean the kitchen.
He's a wonderful friend, Marge.
Oh!
Terry?
And here I thought that indentured servitude had been abolished.

Stop!
What's gotten into you?
Terry
She mistook you for a maid. That's all.
I'm sick of putting up with abuse from women like her!
I'm not the house-cleaner.
I lost my mother and *Marge* took me in, so I'm helping her out in return.
Terry!
You don't know what it's like to do any real work, do you?
Terry! Go get Marge!
Do it yourself. I'm not your servant.
Who does this girl think she is?
When I'm not scrubbing floors, I go to college so that I can earn a living on my own.
You won't have to worry about that until your looks start to go.

Don't say what's me in your heart.
That's a lie.
I want you to stop.
J.B...
I'm so angry I could explode
You'll do anything I want you to.
We both know that.

You're beginning to awaken
I can't take it

You'd better behave yourself next time.
You still don't get it.
Otherwise, I'll do the same to you in front of Bella.
Another time, Marge.
Hey! J.B.!
Terry!
What happened?

Bella likes to kiss me, too.
Snear
But she doesn't play hard to get. She takes off her own clothes.
Even when I don't tell her what she wants to hear
Pow!

You two stay with your mother!
What should we do? I can't reach J.B.
Mom has been having migraines lately—
I'll head over to J.B.'s place!

How can J.B. treat a girl who loves him so much like this?

It's too late for that now!
Take a cab home!
My sister's had a heart attack.
I'm going to the hospital.

Aren't we going to dinner?

Still why wouldn't she knock before coming in?
I should have asked first
shouldn't ave shouted at Terry
What a terrible day

Mom isn't going to die, is she?
Of course not.

Then why didn't you arrive together?
Terry. .

What happened?
Terry!

I can't tell you more until we get her X-rays back.
Aside from the bruising, she has a concussion.
Doctor! Is she...?
This must not be your day, J.B.
You had an accident.
Every-where else. What hap-pened?
We'll give you something for the pain. Are you hurting anywhere else?
It hurts. .
J.B.
My head hurts. .
Uh.
Don't you think I know that?
This wouldn't have happened to her if you had come with her to the hospital.
I I have to apologize to her as soon as I can.
Whatever it takes to make her better!

Terry.
How old are you right now?
Giggle
What do you mean, J.B.?
Giggle
I'm 17. Did you forget?

But I'll miss my graduation ceremony, J.B.
You have a concussion.
You have to take it easy for a while.
Thank you.
..You saved me?
Was I driving Marge's car?
No.. It was your car.
What? But I don't have a car yet.
I was going to work during the summer so I could buy one.
I have a white gown and hat all prepared.
It's May already. My graduation is right around the corner.

Calm down! Both of you!
It was because of you that she had the accident!
Clatter
Listen, J.B.!
Because of you, she's escaped into the past.
Back to a time when you were still kind to her.
..How much...
..should I tell Terry?
Amnesia.
It should be temporary. It's not uncommon in cases of head trauma.
We'll know more once we do an MRI
It's really because of her head injury?
The brain tries to protect itself from shock.
Not just physical shock, either.
What happened between you two, J.B.?

What else am I forgetting?

Afraid that she'll despise me when her memories return
Don't worry, Terry.
When the time comes, you'll remember everything.

It's you.
Howdy.
I'm Geauge. Er... a friend of yours.
I'm sorry. There's a lot that I don't remember.
J.B. included.

It's his fault you were in that accident.
It's all nothing but a sick game to him!
Welcome home, darling.

Terry? What is it?
"I said get out!
After what happened...!
Terry, your memory...
W-Why...
...It's back?
Why did J.B. bring me here?
Stay out of my life forever!"

Don't make her feel any worse, J.B.
It's cruel.
Terry is upset.
She says she doesn't want to see you.
I.
I just want to make amends.
...to be hopelessly in love with someone.
You should know how hard it is. .
For what?
What?
She left with that girl.
Bella...!
Where's Neil?
They'll be at Marge's
Where are you going, J.B.?
I'm bringing them back.
I jogged her memory. You should thank me.
What did you say to Terry?

As always...
That's harsh.
I'm glad you're back to normal, Marge.
Then forget about making her happy.
If you're just looking for fun, go back to Bella.
I still don't want to get married. Terry knows that.

Howl
Have Nell look after you for now.
Don't push yourself.
...J.R...

I did nothing but torture her until now.
Now... I want her to be happy.
I couldn't live with myself, if I lost another person I love
I was a coward
For everything.

Are you saying that you're prepared to love her for the rest of your life?
I can't explain it.
In these past few weeks, she and I have both changed.
Actually I'm still afraid.
...

...I wonder what J.B is doing?
Roaaar
I'm so stupid. Even after all that
why should I worry about him?
It's all clear! I can still hear some thunder, but there's blue sky showing.
I'm worried about J.B...!
Can you call him?

Look! The clouds are green!
Shriek
Is that an ambu lance?
No!
There's been a tornado warning on the radio.
We have to get to the basement! Now!
It's a tornado siren!

JB!
Terry?
Go on ahead.
Jump

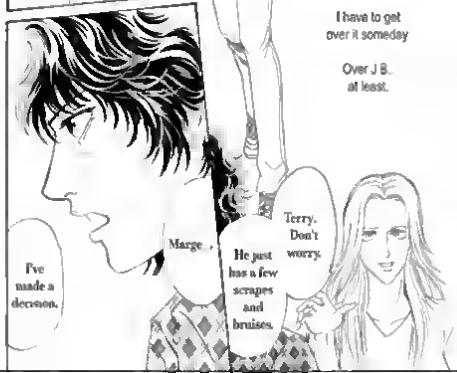
Hello.
Maybe it's J.B.?
Ring Ring
Yes!
I understand. Thank you.
I see...
Yes...
JB...!
The tornado came down right on top of his house and blew away his office wing.
It was the police.
J.B. is in the hospital

It seems Terry finally gave up on me.

Does it hurt? You don't look very happy, J.R.

I have to get over it someday

Over J.R. at least.



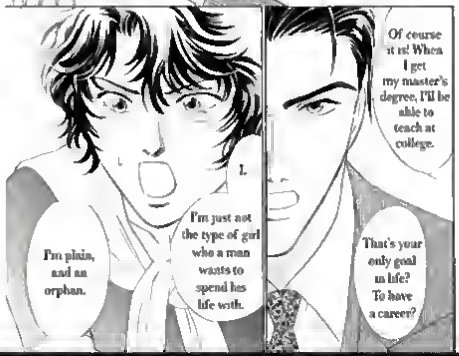
I'm not the one that Terry loves.
I do my best to stay out of lovers' quarrels.
That's right. She wants me.
You don't love her?
I'm just her friend. I want her to be happy.
The same way
... that I want her from the bottom of my heart
To Terry!
Where are you going, J.R.?
She's already gone.
I think she left because she saw us together.
Looks like she learns from experience, after all.
Snicker
Why didn't you stop her?
She left for Houston.
Grange. What do you mean?

Terry?
Can I borrow your anthropology notes later?
I have to work tomorrow morning.

Sure! Can I trade for your literature notes?
I have to grade my night class's tests.
Great!

Jump
By the way, Terry
How about going out for dinner, Friday night?
Well, I...

Because this is your dream?
I thought it was the right thing to do.
Why?



I'm plain, and an orphan.
I'm just not the type of girl who a man wants to spend his life with.
That's your only goal in life? To have a career?
Of course it is! When I get my master's degree, I'll be able to teach at college.

I'll. . see you later, Terry.
Right

Fump
You ran away, Terry.

Tarry... Remember when you were 18?
Then she made.
Smirk
A little while he.
When we kissed on the living room sofa?
Pound
—but you were still so young.
I wanted you so badly
So I waited for you to awaken.
I waited and waited.
...until it was too much, and I started taking it out on you
Pound

What I did to you was horrible.

I was embarrassed that you saw Bella and me together.
It almost felt like I had been caught cheating...
...she suddenly remembered she was spending the summer with her aunt and uncle in the Bahamas...
When I told Bella I lost everything in the tornado...
The one I wanted wasn't Bella, but you.
But— what happened to her?

J.B !
With all my heart...
...I love you, Terry ...!
J B
He felt that strongly for me ?
.And for all that time?
Do you see now?
I chose it myself
I didn't send Ms. Jaret to buy it.

Please, J.B.....
If this is a dream, I don't want to wake up...
J.B....!
...you're so beautiful, Terry...!
Just as I imagined...
Is this a dream?
I love you.
I can't wait any longer

The woman I was going to marry chose not to fight my father's disapproval and took the easy way out.
It's hard to admit, but you were right.
Wedding? But you said...

What will you do about school after we're married?
I know that you would have fought tooth and nail.
That's what's so attractive about you.
I had lost the will to live, and you changed that.
I don't know.

Terry...
But...
This sparkle isn't a dream.

It's so strange even though it's my own body.
This warmth...

I didn't know I could feel anything like that.
Let's have our wedding on the ranch.
Neither did I.
You've changed my world.

I won't have much free time if we have kids.
I just want to be with you right now.
Kids? How would we have kids?
Why don't I show you?
—!?

That necktie
Giggle
Life is even better than I'd dreamed!
It's the one I sent him every year!
Don't you think so JB?
